

WebVault

**MotelMate's premium automated
and monitored backup system.**

Do you backup regularly?

Do you store your backups offsite?

Computers die, catch fire, get stolen & are susceptible to viruses.

Would you be able to recover your booking and client data?

If not, we have the solution for you!

MotelMate backups to WebVault daily!

- **Over 55% of MotelMate users already subscribe to WebVault!**
- **Stores all backups for 14 days.**
- **Join now. \$26+GST/month, or \$260+GST/year.**

Backups currently exclude credit card data.
